

# I Don't Know Why

**Nana Mouskouri**

I don't know why  
The sky is so blue  
And I don't know why  
I'm so in love with you  
But if there were no music  
Then I would not get through  
I don't know why  
I know these things, but I do  
I don't know why  
But somewhere dreams come true  
And I don't know where  
But there will be a place for you  
And every time you look that way  
I would lay down my life for you  
I don't know why  
I know these things, but I do  
I don't know why  
But some are going to make you cry  
And I don't know how  
But I will get you by, I will try  
They're not trying to cause you pain  
They're just afraid of loving you  
I don't know why  
I know these things, but I do  
I don't know why  
The trees grow so tall  
And I don't know why  
I don't know anything at all  
But if there were no music  
Then I would not get through  
I don't know why  
I know these things, but I do  
I don't know why  
I know these things, but I do
