Revolution

Blue County

You say you want a revolution
Well, you know
We all want to change the worldYou tell me that it's evolution
Well, you know
We all want to change the worldBut when you talk about destruction
Don't you know that you can count me out
Don't you know it's gonna be all right?
All right, all rightYou say you got a real solution
Well, you know
We'd all love to see the planYou ask me for a contribution
Well, you know
We're all doing what we canBut if you want money
For people with minds that hate
All I can tell is brother you have to wait
Don't you know it's gonna be all right?
All right, all rightYou say you'll change the constitution
Well, you know
We all want to change your headYou tell me it's the institution
Well, you know
You better free you mind insteadBut if you go carrying pictures of chairman Mao
You ain't going to make it with anyone anyhow
Don't you know it's gonna be all right?
All right, all rightAll right, all right, all right
All right, all right, all right
All right, all right!
