California Dreaming

Bobby Womack

All the leaves are brown
and the sky is gray
went for a walk
on a winters day
i'd be save and warm
if i was in L.A
California dreamin'
on such a winters day

went to a church yesterday
i stopped along the way
well i got down on my 'binny' knees
and i began to pray
you know the preacher did the call
'cause he knows i'm gonna stay
(told him so)
california dreamin'
on such a winters day

(oh somebody help me now i'm going so bad)
all the leaves are brown
and the sky is gray
went for a walk
on a winters day
i'd be save and warm
if i was in L.A.
california dreamin'
on such a winters day (3x)
(yeah yeah)
california dreamin'
(catch a glimp of sunshine before i blow my mind)
on such a wintersday
