Dats My Lil Baby
Chorus:
Phone Calls In The Morning:
Why she stretching and yawning:
She get mad when she want it :
I come around she all on it :
She the real jealous type :
Keep me up all night :
We fuss and we fight
Even when I'm not right ;
Dats my lil baby ,data my lil baby, dats baby, x4

Verse: Dats my little baby, the cradle shaken , my heart is just pacing , I come correct cause your mistaken, this is no movie , but Im taken everything deep, deeper than water, you shallow no surface, I swear that worth it, these girls that Im curving. They giving they souls , you went to the circus. Soul Circus. Why you so fiesty, that text from Heidi , means nothing, dosent cross my mind, maybe she likes me , or maybe one nights me. But when we make movies you call me spike lee. Im out of control no pills no birth. Im jumpng for you Im maxing my vert. Can I sing to you no jerrel leverets. You hitting my heart and that's where it hurts

Bridge : now listen to me closely
You the one that knows me ,
Baby I girl I gotchu ,
Im the one to run too.

Verse 2: you say U want the world you got it, I kept us in the public no private, you trippen off hieddi but what bout bobby , he text you in the Hilton, to meet in the lobby. Don't think I didn't see the text in seen it, talking trust issues, yeah U can keep it. You put me through this , you put me through that sometimes I wish I was dreaming. These niggas be scheming , tlc creeping, finding a reason to go and do this , and you worried about that , like who got yo back, that spinnel connection like I gotcho back , now remember that, like when U tried to throw away our love and I recycled that.
