

Rome

Yeasayer

Yeah

Yeah

Yeah And when you see me

Better make a phone call

'Cause I'm a bad brained graphical fiend with no time at all

But just know that

I'll drown in sorrow

When I deposit your body in the dove coat, darlin', tomorrow (There's no mistaking that) Rome is gonna be mine

It's just a matter of

It's just a matter of

It's just a matter of time

(There's no mistaking that) Rome is gonna be mine

It's just a matter of

It's just a matter of

It's just a matter of time I'd sorta like to cross the Rubicon and battle for it I paint my face red

But I'm wearin' purple

I'm a gladiator, high-heeled, opium-fueled, in a bubble

(Take, take, take) I take the gold plate

And silver metal

Heat it up, melt it down into a soup and help you to swallow (There's no mistaking that) Rome is gonna be mine

It's just a matter of

It's just a matter of

It's just a matter of time

(There's no mistaking that) Rome is gonna be mine

It's just a matter of

It's just a matter of

It's just a matter of time I'd sorta like to cross the Rubicon and battle for it Rome is gonna be mine

It's just a matter of,

It's just a matter of,

It's just a matter of time

(There's no mistaking that) Rome is gonna be mine

It's just a matter of,

It's just a matter of,

It's just a matter of time (There's no mistaking that) Rome is gonna be mine

It's just a matter of,

It's just a matter of,

It's just a matter of time

(There's no mistaking that) Rome is gonna be mine

It's just a matter of,
It's just a matter of
It's just a matter of time(There's no mistaking that) Rome is gonna be mine
It's just a matter of,
It's just a matter of,
It's just a matter of time
(There's no mistaking that) Rome is gonna be mine
It's just a matter of
It's just a matter of
