Mr. Music

Ed Amann

I got my ipod,
Shake my body,
You got me going
So naughty, naughty

Hey Mr. Music, keep me focused
Keep me moving, like you promised
Take me back to a another time
Play that track, c'mon press rewind

Hey Mr. Music, c'mon rock me

Your so explosive, you really shock me
In my soul, under my skin.
When its done, play it over again.

[Chorus]
I love music. I Love it. I love it.
I love Music. I love it. I love it.
I love Music. I love it. I love it.
I love Music. I love it. I love it.

Hey Mr. Music, you get me through it
You play it for me, know how to choose it
You make me happy, you make me cry
Your always there in every part of my life

Hey Mr. Music c'mon and take me
You got me dreaming,
Shake me, wake me
Never stop, always in my mind.
All day, all night, Mr. Overtime.

[Chorus]

I Need your help.
Get me through, another day.
Fridays been, dragging on.
Now I'm out, time to play.

[x2]
Belly up belly up to the ball boy
Let the belly be scene
Belly up belly up to the ball boy
Like a party machine

[Chorus]

[Repeats in background]
I got my ipod,
Shake my body,
You got me going
So naughty, naughty

[Repeats till end]
I love music
