

Used Heart for Sale

Gary Allan

Used heart for sale
Scratched and dented but it runs real well
Like you a lot so I'll cut you a deal
Used heart for saleThe first owner Peggy treated it rough
She took it over some rough roads
She skipped town when it broke down
She never paid off what she owedUsed heart for sale
Scratched and dented but it runs real well
Like you a lot so I'll cut you a deal
Used heart for saleCindy picked up where Peggy left off
Whoa, how she made it shine
Soon after then some mutual friend
Robbed Miss Cindy blindUsed heart for sale
Scratched and dented but it runs real well
Like you a lot so I'll cut you a deal
Used heart for saleTook about every cent I had
To get it out of hock
I spent the last month fixin' it up
Now it's rollin' off the blocksUsed heart for sale
Scratched and dented but it runs real well
Like you a lot so I'll cut you a deal
Used heart for sale
Used heart for sale
Used heart for sale
