Pure White Lace

Eyes Set to Kill

Always forgive
Never forget
It's just like me to pretend
And give into her every need
Showing no signs of defeatThirsting for you
Thirsting for the tears you cry
Waiting for you
Waiting for your pleading cries
Don't be blinded by her
Don't be blinded; its disguise
Don't be blinded by her eyesSkin so soft and pure white lace
Beauty takes control of you
Don't be blinded by her eyes
Don't be blinded it's disguise
She'll suck every inch of life from deep inside of you
Her burning passion for hate takes control of youEvery inch of light from deep inside
My only regret lies in all the nights
Spine removed from back
Faced down on the floor
I offered her my heart
But still she wanted moreSkin so soft
Beauty is only skin deep
Pure white lace
Is enough to cut through
Exposing what's beneathThirsting for the tears you cry at night
For something
For something to satisfy her life
She's waiting
Thirsting for the tears you cry at night
She's waiting
For something more than meMy hearts not big enough
For the both
For the both of us
My hearts not big enough
For the both
For the both of us
