Beautiful In Me

Katie Armiger

Sometimes I can be difficult
Hard to please, unpredictable, yeah
Sometimes I am a nervous wreck
A constant worrier, pain in the neck
But you just laugh and say it's typical me
And love me back to sanity

You love me through all my darkest days
It's just the way I've heard that love should be
I'm amazed at how you never change
It's like you only see the beautiful in me

When it feels like it's gonna rain
I roll the windows up and push you away
And when I'm sure that you're gonna leave
You stand there in the storm and you cover me
And all those clouds, they start to disappear
All because you were here

You love me through all my darkest days
It's just the way I've heard that love should be
I'm amazed at how you never change
It's like you only see the beautiful in me

When the world is a scary place
Not what you thought it would be
I wanna be here for you
Just like you've been for me, yeah

You love me through all my darkest days
It's just the way I've heard that love should be
I'm amazed at how you never change
It's like you only see the beautiful in me

Yeah, ohh, the beautiful in me
You make me believe
Ohh, in the beautiful in me
