

Welcome To My Home (feat. The One)

DJ Antoine

We gonna party
Party up every day
Party up every day
Party up every day
Party up every day
Welcome to my home
Welcome to my home
Welcome to my home,
Home, home
Pa pa pa party,
Party up every day Welcome to my home Tonight girl
I set it up, I burn the floor
Dirty dirty dirty
Baby let's go
If you wanna do it
We can do it tonight Just ring ring ring ring
Tonight
Just ring ring ring ring
Go girl
[x2] We gonna party
Party up every day
Party up every day
Party up every day
Party up every day
Welcome to my home
Welcome to my home She's like the rainbow ooh
Up to the sky ay ay ay ay
Shining like the moon light, oh
Controlling up my mind Welcome to my home
Welcome to my home
Welcome to my home
Home, home
Pa pa pa party,
Party up every day We gonna party
Party up every day
Party up every day
Party up every day
Party up every day
Welcome to my home

Party up every day
Party up every day
Welcome to my home
