

Seemed Like the Thing to Do

Dinosaur Jr.

Oh won't you come?
'Cause I've been waitin'
Won't you come?
'Cause I've been waitin' See if it's true Won't you come?
'Cause I've been waitin'
Won't you come?
'Cause I've been waitin' See if it's true
See if it's true
See if it's true Won't you come?
'Cause I've been waitin'
Won't you come?
'Cause I've been waitin' Won't you come?
'Cause I've been waitin'
Won't you come?
'Cause I've been waitin' See if it's true
See if it's true
See if it's true Now I've lost the thing that I had to say
I know you're no good that way
You send me, you wanted this too Take your heart I think I get it now
Well I just can't prolong
Somehow I'll really do See if it's true Oh won't you come?
'Cause I've been waitin'
Oh won't you come?
'Cause I've been waitin' See if it's true
See if it's true Time was we'd drop out everything
And there was a peace you'd bring
But you didn't wanna go Talked about the hell we'd both been through
Seemed like the thing to do
Like something I needed to know See if it's true
See if it's true
