London Queen

Charli XCX

Right away from Holloway
I said "Mum, this isn't a holiday
Listen up, I ain't coming back
Till I can fill the shack up with all gold plaques."
Soon come, home run (wack!)
Locket out the park with a baseball batWhen I'm driving on the wrong side of the road
I feel like JFK you knowI never thought I'd be living in the USA
Doing things the American wayÂ
I never thought I'd be living in the USA
Living the dream like a London QueenÂ Now I live in Hollywood
I can't stop even though I know I should
It feels so good, oh yeah, oh ohWhen I'm driving on the wrong side of the road
I feel like JFK you knowI never thought I'd be living in the USA
Doing things the American wayÂ
I never thought I'd be living in the USA
Living the dream like a London QueenÂ I never thought I'd be living in the USA
Doing things the American wayÂ
I never thought I'd be living in the USA
Living the dream like a London QueenÂ Living the dream like a London Queen
Living the dream like a London Queen
Living the dream like a London Queen
Living the dream like a London QueenI never thought I'd be living in the USA
Doing things the American way
I never thought I'd be living in the USA
Living the dream like a London QueenÂ I never thought I'd be living in the USA
Doing things the American wayÂ
I never thought I'd be living in the USA
Living the dream like a London QueenÂ Living the dream like a London Queen
Living the dream like a London Queen
Living the dream like a London Queen
Living the dream like a London Queen
