

# Somethin' 'bout a Sunday

[\*\*Michael Peterson\*\*](#)

Well a whole lot of people like Saturday night  
Gettin' loud and crazy, well it just feels right  
I guess everybody loves to see it come  
Just forget everything and go have some fun  
And the same goes for me, but lately  
You know latelyThere's somethin' ?bout a Sunday mornin' breeze  
A church bell ringin', ?Bringin' in the sheaves?  
And the smell of dinner simmerin' on the stove  
A little bit of both is sure good for the soul  
Sittin' in the swing with her head on my chest  
Givin' any worries one day's rest  
Suddenly everything's gonna be okay  
There's somethin' ?bout a SundayNow that big bad Monday is bound to come  
The alarm clock rings and we up and run  
There's a whole lotta headaches that we got into  
Everybody's wonderin' how they'll make it through  
Well the same goes for me, oh but lately  
Don't you know that latelyThere's somethin' ?bout a Sunday mornin' breeze  
A church bell ringin', ?Bringin' in the sheaves?  
And the smell of dinner simmerin' on the stove  
A little bit of both is sure good for the soul  
Sittin' in the swing with her head on my chest  
Givin' any worries one day's rest  
Suddenly everything's gonna be okay  
There's somethin' ?bout a Sunday
