

# I Don't Want to Die Alone (feat. Zamaera)

SonaOne

Sonaone feat Zamaera- I donâ€™t want to die alone

Zamaera:

Donâ€™t know how to love,  
But I donâ€™t wanna die alone,  
Donâ€™t know how to show it,  
But I donâ€™t wanna die alone,  
But if I do, is it okay?  
Does it matter anyway?

But if I die right now, I DONâ€™T WANNA DIE ALONE.

No, no, no, no,  
I donâ€™t wanna die alone,  
No, no, no, no,  
I donâ€™t wanna die alone  
No, no, no, no,  
I donâ€™t wanna die alone  
No, no, no, no,  
I donâ€™t wanna die alone

Sonaone:

Forever ever, forever alone,  
Just pretend for a second  
That Iâ€™m died in this song,  
Moment of silence,  
How would my haters feel?  
How would the label feel?  
If I died before I made a meal?  
And if I did,  
What would be the value?  
I got a voice you could  
Silence with Valium,  
Overdose and most would hope to know the  
Outcome, another dead rapper how we gonna  
Sell his album?  
No mother wants to see  
Her own son die,  
Never felt low, cause itâ€™s so un-fly,  
To be sittin in the dark  
Where thereâ€™s no sunshine,  
A loose thread in the yam,

And it won't unwind.  
I can still cope with  
Being broke sometimes,  
I've been broke from no emotions,  
Never spoke my mind,  
Always played the role of Sonaone,  
When I wroth my rhymes,  
But I never sell my soul, I control my life.

Zamaera:

Don't know how to love,  
But I don't wanna die alone,  
Don't know how to show it,  
But I don't wanna die alone,  
But if I do, is it okay?  
Does it matter anyway?  
But if I die right now, I DON'T WANNA DIE ALONE.

No, no, no, no,  
I don't wanna die alone,  
No, no, no, no,  
I don't wanna die alone  
No, no, no, no,  
I don't wanna die alone  
No, no, no, no,  
I don't wanna die alone

Sonaone:

Sometimes I go to sleep,  
And never want to wake up,  
Fans by my deathbed  
With double deuces is raised up,  
The world is just another pretty face  
With too much makeup, I'm the rare pair of  
Kicks that very face is tryin lace up.  
Over a year passed,  
And you all still askin,  
"Friday the 13th, Kenobi what happened?"  
Never wanna talk about it, but  
If you got to know,  
I went to hell, woke up in a hospital.  
How's that for two firsts in one day?  
I got admitted plus my face up  
On front page,  
All for the wrong reasons  
nothing was the right since,  
Lookin for the brighter end.  
Couldn't get creative,

Could it be I lost my mojo?  
Before I knew it, got it back,  
Now everyday Iâ€™m getting Bozo,  
Locked up in my temple like a modern  
Quasimodo, I wanna live forever aku tak nak  
Mati solo.

Zamaera:

Donâ€™t know how to love,  
But I donâ€™t wanna die alone,  
Donâ€™t know how to show it,  
But I donâ€™t wanna die alone,  
But if I do, is it okay?  
Does it matter anyway?  
But if I die right now, I DONâ€™T WANNA DIE ALONE.

No, no, no, no,  
I donâ€™t wanna die alone,  
No, no, no, no,  
I donâ€™t wanna die alone  
No, no, no, no,  
I donâ€™t wanna die alone  
No, no, no, no,  
I donâ€™t wanna die alone.

I donâ€™t wanna  
I donâ€™t wanna die  
I donâ€™t wanna  
I donâ€™t wanna die alone.  
I donâ€™t wanna  
I donâ€™t wanna die  
I donâ€™t wanna  
I donâ€™t wanna die alone.
