

# Come Close (Acoustic Version)

Saosin

Remind yourself that they are the ones  
Who will hold you still  
My thoughts exploding in thousands of pieces  
It looks so beautiful when I know it's not love 'Cause I've been trying as we are waiting  
I've been trying to let you know So come close, this is who we are  
Come on, you can show yourself  
So come close, this is who we are  
Come on, you can be yourself again When you notice yourself  
As something more than just a reflection  
You'll see, it's not me  
I guess I'm trying to say I know it's not love But I've been trying as we are waiting  
I've been trying to let you know So come close, this is who we are  
Come on, you can show yourself  
So come close, this is who we are  
Come on, you can be yourself again Now you've found love  
It's shining through Come close, this is who we are  
Come on, you can show yourself  
So come close, this is who we are  
Come on, you can be yourself again Come close and I will carry you  
Come close in my arms
