Omen - Acoustic

Sam Smith

I'm feeling something, something different
When you left, my picture changed
I was blinded, I'd not envisioned
The same face in a different frameIt's an omen, caught my baby crying
Saw the silver lining
It must be an omen
Needed you to show me, without you I am lonelyMy mind would rule my heart
I didn't pay attention to the light in the dark
It left me torn apart
But now I see your tears as an omenOh oh oh oh
Oh oh oh
Omen
Oh oh oh oh
Oh oh oh
OmenYou were waiting, I was vacant
You left before my eyes
Then it hit me, you're relocating
And I need you by my sideIt's an omen, caught my baby crying
Saw the silver lining
It must be an omen
Needed you to show me, without you I am lonelyMy mind would rule my heart
I didn't pay attention to the light in the dark
It left me torn apart
But now I see your tears as an omenOh oh oh oh
Oh oh oh
Omen, oh
Oh oh oh oh
Oh oh oh
Omen, oh
Oh oh oh oh
Oh oh oh
Omen, oh
Oh oh oh oh
Oh oh oh
Omen
