

U Got Me

B5

B5, the next generation, worldwide, corner boys
Bad boys, baby, as we MC's, yeah give u what u need
Empire strikes back, c'mon man, lil' shortys
It's the way that you touch me
You let me know that you love me oh yeah
And the way that you kiss me, you let me know that you miss me
And nobody's gonna take me from you
U got, u got, u got me going crazy
I'm caught up, I don't know what to do
U got, u got, u got me
Call me, I'll be there in a hurry, baby
You make me feel special
I'm on top of the world when I'm next to you, I just wanna caress you
My love for the the things that you do
I'm right here I ain't going no where 'cause
U got, u got, u got me going crazy
I'm caught up, I don't know what to do
U got, u got, u got me
Call me, I'll be there in a hurry, baby
I know it's hard for you to see, to see that
Girl, you're the only one for me for me
U got me, yeah
I'm clean from my feet up, check my jeans and my sneakers
Flea from the scene like cheetah then I come right back with love
Matter fact I'mma back you up that's how to act
So don't try to act like u don't wanna act right
Looking for me in the day time with a flashlight
I'm not a half pint, more like a leader
I'll leave you my phone number and I see ya when I see ya
More charming than Mike Seaver, I'm eitha the hottest dude splittin'
Or y'all dudes are trippin' and alot ducks
chase the bus
But I ain't press on a bird can't nobody break us up
'Cause now you got me you can spend 100 dow wit popy
Automobiles or them Kawasaki, spent, we a team till the death
And I wanna be yo homeboy, yo boyfriend, yo boo, and yo best friend
U got me
U got, u got, u got me going crazy
I'm caught up, I don't know what to do
U got, u got, u got me
Call me, I'll be there in a hurry, baby
U got, u got, u got me going crazy
I'm caught up, I don't know what to do
U got, u got, u got me
Call me, I'll be there in a hurry, baby
