

# U Not Like Me

## 50 Cent

NYPD, LAPD, NYPD (When it's on that's who you get, huh?)  
NYPD, LAPD, NYPD (That's your motherfucking clique, huh?)  
NYPD, LAPD, NYPD (You a motherfucking snitch, huh?)  
NYPD, LAPD, NYPDNiggas wanna shine like me (me), rhyme like me (me)  
Then walk around with a 9 like me (me)  
They want to do it 3 to 9 like me  
And they ain't strong enough to take 9 like me  
Ayo, you think about shitting on 50, save it  
My songs belong in the Bible with King David  
I teach niggas sign language, that ain't deaf, son  
\*click\* \*click\* you heard that? That mean run  
Ask around, I ain't the one you wanna stunt on, pa  
Pull through, I'll throw a fucking cocktail at ya car  
From the last shootout I got a dimple on my face  
It's nothing, I can go after Mase's fan base  
Shell hit my jaw, I ain't wait for doctor to get it out  
Hit my wisdom tooth \*huck-too\* spit it out  
I don't smile a lot cause ain't nothing pretty  
Got a purple heart for war and I ain't never left the city  
Hoes be like "Fiddy, you so witty"  
On the dick like they heard I ghostwrite for P.Diddy  
You got fat while we starve, it's my turn  
I done felt how the shells burn, I still won't learn  
Won't learnIf you get shot and run to the cops you not like me  
You ain't got no work on the block, you not like me  
It's hot, you ain't got no drop, you not like me  
Like me dude, you not like meIf you get shot and run to the cops you not like me  
You ain't got no work on the block, you not like me  
It's hot, you ain't got no drop, you not like me  
Like me dude, you not like meMama said everything that happened to us, was part of God's plan  
So at night when I talk to him I got my gun in my hand  
Don't think I'm crazy cause I don't fear man  
Cause I fear when I kill a man God won't understand  
I got a head full of evil thoughts, am I Satan?  
I been could've killed these niggas, I'm still waitin'  
In the telly with two whores, Benz with two doors  
32 karats in the cross, no flaws  
You see me in the hood, I got at least two guns  
I carry the Glock, Tony carry my M-1

Hold me down, nigga, OGs tryin' to rock me  
D's waiting for my response to lock me  
This is my hustle, nigga, don't knock me  
You need some shit with a banana clip to try and stop me  
I'm the oneIf you get shot and run to the cops you not like me  
You ain't got no work on the block, you not like me  
It's hot, you ain't got no drop, you not like me  
Like me dude, you not like meIf you get shot and run to the cops you not like me  
You ain't got no work on the block, you not like me  
It's hot, you ain't got no drop, you not like me  
Like me dude, you not like meSee, I done been to the Pearly Gates, they sent me back  
The good die young, I ain't eligible for that  
I shot niggas, I been shot, sold crack in the street  
My attitude is gangsta so I stand some beef  
You wanna get acquainted with me, you wanna know me  
From 3 point range with a Glock, I shoot better then Kobe  
See a nigga standing next to me, he probably my Co-D  
See a bitch getting in my whip, she probably gon' blow me  
See the flow is like a .38, it's special y'all  
Country boy tell ya, I'm finna blow  
I'm more like a pimp than a trick, you know  
See, I'm in this for the paper, but I don't love the hoes  
Niggas broke in the hood worried about mines  
Grown ass men wearing starter piece shines  
You know them little pieces with the little stones  
Got little clientele fiends call your cell phones  
When the gossip starts I'm always the topic  
You too old for that shit, dawg, won't you stop it?  
Shorty, I been watching you watching me  
Now tell me what you like more, my watch or me?If you get shot and run to the cops you not like me  
You ain't got no work on the block, you not like me  
It's hot, you ain't got no drop, you not like me  
Like me dude, you not like meIf you get shot and run to the cops you not like me  
You ain't got no work on the block, you not like me  
It's hot, you ain't got no drop, you not like me  
Like me dude, you not like me
