Safe Haven

Big D And The Kids Table

Whoa-oh Safe HavenLost boy cannot feel
Though you try and you try and you try
You cannot feelWhoa-oh Safe HavenLost girl cannot feel
Though you try and you try and you try
You cannot feelWhoa-oh Safe Haven(Turn up this beat up stereo, play it down all soft and slow)
(sweet and lowdown)It's five o'clock, I find your house.
The bus was long, the sun is up.
Your place is wrecked, its smell is stale
I walk through trash, you're up the stairs
You're on the roof
You said you'd be
Crawl through the window
You smile at me
It's safe to say here, it's safe to say
Relax, slow down, take a breath and breatheWhoa-oh Safe Haven(Turn up the beat up stereo, play it down all soft and slow)
