

Betrayal

Yo Gotti

Southside, Southside, Southside, Southside, Southside
YoThey tried play me
My own squad tried betray me (betray me)
Never love these bitches 'cause they played me (played me)
Can't leave these streets because they paid me (paid me, paid me)
I can't believe they tried betray me (betray me, betray me)
I can't believe they tried betray me (betray me)
I can't believe they tried betray me (I can't believe it)
I won't let these niggas faze meI just got a phone call, it got me rethinking shit (damn)
Homeboys and my enemies been on some linking shit (oh shit)
An OG big homie, sucker shit can't condone it (you know that)
Catch a body, I'm on it (brrr)
It's CMG, now who want it? (Enemies been on some linking shit)
I can't believe you tried betray me (betray me, betray me)
Oh that's the way you gon' repay me
Got to stay two steps ahead, too many cats in the fed
Think I broke too much this bread, too many suckers got fed, for real
I can't believe they tried betray me (betray me, betray me)
I can't believe they tried betray me (betray me)
I can't believe they tried betray me (I can't believe it)
I won't let these niggas faze me (can do it)Death before dishonor how they raised me
Seen the double cross, that shit didn't faze me
Had the FN with me, upped it on 'em daily
Baow baow baow baow baow, crazy
Double cross, double cross
They killed my lil' partner, it's another loss
It's murder on my mind, I got bloody thoughts
I hope none of these niggas come piss me off
I heard my lil' bitch been out fuckin' on 'em
Yeah that's my lil bitch but I cut her off
The hitters gon' fire when I say
Off with her head, I really mean take it off, literally
Ayy, they tried betray me (betray me, wooh)
I can't believe this ho just played me (played me)
You made me a, you, you made me a savage
(I'ma make you regret it)
Ayy, you made me a savage (savage)
You had my heart on automatic (on automatic, brr)
I used to think you were the baddest (baddest)

Damn I think your ass just average (average)Ayy, you shouldn't betray me (you shouldn't did it)
Now I'm fuckin' on your friends on the daily
I'm betrayin' you (betrayin' you)
Nah (nah nah nah), I'm repayin' you
I grew up with these niggas from the motherfuckin' mud
Despite whatever I have and always showed these niggas love
We all was coppin' bricks and with the shit, we all was thugs
We always had them dreams of bein' the man and meetin' the plug
This rap shit jumped off for me, I thought niggas would support me
Instead, they tried to bring a nigga down, federal court me
You my man, you can't take no stand, you can't make no statement
We been rockin' since the sixth grade, how you gon' betray me?Damn (damn), my own partner tried betray me
(betray me)
Thought you would be the one to save me (my nigga, my nigga, my nigga, my nigga)
You played yourself when you played me (you played yourself home)
I got the key, yeah that's how they raised meHad to learn the hard way that these bitches just gon' be bitches
(bitch)
Just fuck 'em, keep it movin' my nigga, get out your feelings (get out your feelings, my niggas)
Yeah, shout out to Sonja, shout out to Sandra
She was married, I still put dick all down her tonsil
These hoes be hateful and these hoes be petty
These hoes ain't boujee but they always ready
Then act like they regret it (ha ha ha)
I guess you sorry for the head the other day
All that complaining but all you do is betray (betray, betray, betray)
If I was your nigga, bitch you have to find somewhere to stay (get the fuck off, by the hell)
Bitch you gon' have to get the fuck out my house right here today (get the fuck off, by the hell, bitch)'Cause
you betrayed me (betrayed me)
I can't believe this ho just played me (I can't believe it, shouldn't I love you?)
But in a way this ho just saved me
You played yourself when you played meI'll never cross on my niggas
And I, I'll never cross on my niggas
Played yourself, you played yourself, you played yourself ho
Yo played yourself, you played yourself, you played yourself ho
I am, still, ha
And when the help come here, homie don't you confuse it
Lames gon' copy, D boys gon' abuse it
