

Going Strong

Hoops

I call you but then I miss you
It's just these feelings that I've come to
Couple years didn't sit too long
To change it, 'cause I like that song
Yeah I like that song Try to understand what's going on
I can't believe that I'm still going strong
Try to comprehend what's going on
I can't believe that you're still going strong
I call you but then I miss you
It's just these feelings that I've come to
Oh yeah, I like that song
Yeah I like that song Try to understand what's going on
I can't believe that I'm still going strong
Try to comprehend what's going on
I can't believe that you're still going strong
Tried to understand what's going on
I can't believe that I'm still going strong
Tried to comprehend what's going on
I can't believe that I'm still going strong
