Come Closer

Miles Kane

What do I
Have to do
To get you where, I want you
I'll guess we'll see
What might be
Whoa
Chorus
You're a million miles,
A million miles away
So Come Closer
So Come Closer
So Come Closer
Whoa
Whoa
You're reasons
Don't make any sense,
i'll never rely on you
And you're draped on him,

while you're staring at me
Whoa
Whoa
You're a million miles,
A million miles away
So Come Closer
So Come Closer
So Come Closer
Whoa
Ahha
Whoa
Whoao
You're a million miles,
A million miles away
So Come Closer
So Come Closer
Whoa
Ahhah
(Repeat to finish)
