

# Luv U Better

## Streetwize

This is for my number one  
This is for my number one  
This is for my number one  
True baby for I adore This is hard to say  
I wanna make sure I go about this in the right way  
'Cuz lately I been busy a lot  
And I know you don't feel appreciated and what not  
I used to tell you that you're hair looked fly  
Kiss you slow and stare in your eyes  
Now I talk real foul and slick  
Every other sentence is, "You make me sick" Back in the days I was your number one pick  
Now your heart's hair-broken and that's hard to fix  
I had to dig deep inside myself  
'Cuz I can't see you bouncin' with somebody else  
It's a long journey back to the place we was  
When I was too embarrassed to admit I was in love  
And you was my good girl that wouldn't give it up  
I can't let us self-destruct Baby smile today  
'Cuz I been imaginin' more ways  
I'm gon' love you better  
When your friends'll see you too  
Just when you think there's nothin' else I can do  
I'm gon' love you better When I think about the things we did  
And I think about you having my kids  
And I think about us sharing a crib  
Losin' all that, God forbid  
You deserve flowers and candy, the simple things  
In addition to the SL's, baguettes and rings  
Instead I walk around like I'm a king  
And having you ain't nothing but a thing I even stopped tellin' you the lovin' was good  
Too busy frontin' in the hood  
Baby girl, hold me tight don't ever let go  
I'ma do it real gentle baby, nice and slow  
One more chance baby and don't say no  
'Cuz I got another side to show  
Some say love is painful it helps you grow  
Well it's time for the pain to go, you know Baby smile today  
'Cuz I been imaginin' more ways  
I'm gon' love you better

When your friends'll see you too  
Just when you think there's nothin' else I can do  
I'm gon' love you better Do you think I meant to hurt you?  
(No)

Do you think I meant to hurt you?  
(No)

So let's laugh together, cry together  
God willin' we gon' die together Do you think I meant to hurt you?  
(No)

Do you think I meant to hurt you?  
(No)

So let's laugh together, cry together  
God willin' we gon' die together It's a brand new me, a brand new you

A brand new day, sky so blue

Hold my hand while I walk with you

Sit on my lap, lemme talk to you

No more games callin' you foul names

Actin' like females is all the same

I'm gon' love you better, my mentality changed

From this day forward I'll never be the same I'ma rub your lower back, share my dreams

I love you, lemme show you what I mean

Give you the deepest love a girl ever seen

Watch you sleep, so peaceful and serene

A toast to the queen, you're back in my life

But this time I'ma do it right

Trust me, from the bottom of my heart

Nothin' is gonna tear us apart, promise Baby smile today

'Cuz I been imaginin' more ways

I'm gon' love you better

When your friends'll see you too

Just when you think there's nothin' else I can do

I'm gon' love you better Baby smile today

'Cuz I been imaginin' more ways

I'm gon' love you better

When your friends'll see you too

Just when you think there's nothin' else I can do

I'm gon' love you better Do you think I meant to hurt you?

(No)

Do you think I meant to hurt you?

(No)

So let's laugh together, cry together  
God willin' we gon' die together Do you think I meant to hurt you?

(No)

Do you think I meant to hurt you?

(No)

So let's laugh together, cry together  
God willin' we gon' die together This is for my number one  
This is for my number one  
True baby for I adore
