

Throwin My Money (Feat. R Kelly)

Twista

In the club throwin' money
Turned up, Kells and the Twista
The way she work it on the pole
Got me throwin' my money, throwin' my money
They way she twerk it on the pole
Got me throwin' my money, throwin' my money
The way she pop it on the pole
Got me throwin' my money, throwin' my money
The way she slide down on the pole
Got me throwin' my money, throwin' my money
Pop that booty, let me watch it girl
Drop it, I'll not knock it
Better yet I'mma reach into my pocket girl
Watch it girl she sluggin'
Come over here cause I see what you do
Tippin' off the plenty booze
How you be attracted to plenty dudes with the Jimmy Choo shoes you in
What you doing takes some talent
So I gotta say that I'm enjoying what I witness
My money flow is endless
Lookin' at her work that pole like gymnast
Climbin' up to the top, turn it upside down then open up her legs
Lookin' sexy all the way to the bottom
I'm throwin' dollar cause it look like she finna hit her head
Now she twerlin' around it, then do a split right in front of it
Ready to go back up when she look at how thick the money get
She do it caterpillar, ballerina diamond toes aerial and vert
Full rockin' it verti crucifix fan kick
Pro pound with mils stacks spin in reverse
The way she work it on the pole
Got me throwin' my money, throwin' my money
They way she twerk it on the pole
Got me throwin' my money, throwin' my money
The way she pop it on the pole
Got me throwin' my money, throwin' my money
The way she slide down on the pole
Got me throwin' my money, throwin' my money
I ain't got no plans tonight
Get somewhere, you can help me get my head right
And I love your swag, cause it's just like mine
Siamese twins me and you, we two of a kind
Strip club is our playground
She playing on her monkey bar

Up and down like a roller coaster
Call that ass a theme park
Way she handle her business
From the sky she make it drop
My money no limit, tonight I'm about to go astronaut
Never ride solo, Mr. Franklin always with me
She'd been around the pole so many times she should be dizzy
Rolex that's real crime, these niggas exaggerating
Her ass can hold a glass, that's no exaggerating
The way she work it on the pole
Got me throwin' my money, throwin' my money
They way she twerk it on the pole
Got me throwin' my money, throwin' my money
The way she pop it on the pole
Got me throwin' my money, throwin' my money
The way she slide down on the pole
Got me throwin' my money, throwin' my money
