Thank You Lord

Doug & Deb

Feeling down, â€˜cause things are not my way,
Just pause and think and look to Him.
Pause and think and look to Him.

See what Heâ€™s done, He knows me.
Just trust in Him, youâ€™re not alone.
Trust in Him, youâ€™re not alone.

Thank You Lord, Thank You Lord,
For offering your own and showinâ€™ us Your love.
We thank you Lord, Most gracious Lord.
We thank you Lord, Most gracious Lord.

Because of You, we are champions,
In your eyes and through Your Son.
In your eyes and through Your Son.

Thank You Lord, Thank You Lord
For offering your own and showinâ€™ us your love.
We thank you Lord, Most gracious Lord.
We thank you Lord, Most gracious Lord.

Thank You Lord, Thank You Lord
For offering your own and showinâ€™ us your love.
We thank you Lord, Most gracious Lord.
We thank you Lord, Most gracious Lord.
