

# I Smoke

Nico Muhly & Teitur

I always start to smoke  
In the summer  
When I'm happy  
But then I keep on smoking  
Because I'm lonely and sad  
I think it's time to quit  
In a way the annual summer fair  
Always makes me sad  
It makes me think I really got stuck  
In the same little town  
For much too long  
I always start to smoke  
In the summer  
When I'm happy
