Gone for Awhile

The Critters

I said goodbye and I know all along
You broke my heart although it may not show
Someday youâ€™ll see how I feel and then youâ€™ll want me
But Iâ€™ll be gone for awhile

After Iâ€™ve gone then perhaps you may find
That Iâ€™m the one who will be on your mind
Someday youâ€™ll see how I feel and then youâ€™ll want me
But Iâ€™ll be gone for awhile

I find it hard not having you
But itâ€™s the only thing to do
(Repeat)

After Iâ€™ve gone then perhaps you may find
That Iâ€™m the one who will be on your mind
Someday youâ€™ll see how I feel and then youâ€™ll want me
But Iâ€™ll be gone for awhile
Gone for awhile
Gone for awhile
