The Spaceman: Chaos

Stick to truth you can't handle the stick of truth douche you see me in this ring making moves with the toonz make some room coming through and that ride goes vroom that flying chop knock you off the top bring the doom you can't keep the beast caged while the rage consumes flop sonic all around like get down now we raising roofs who's to say we can't play games in our rooms to take away the day to day bullshit that ruins moods feeling loopy with the psycho in the mask and the mankey skill isn't something you can match to my fancy to make it tickle like the mister wicked laughter getting dropped I keep it cool when I break you off something proper on the flipside is just right on the hip side hit right to make them get flight dope intros like hell yeah that shits tight now watch me show them how it's done when they click like cause I'm just watching CaRtOoNz I'm just watching CaRtOoNz I'm just watching CaRtOoNz up in my room yeah I'm just watching CaRtOoNz I'm just watching CaRtOoNz I'm just watching CaRtOoNz up in my room oh no with the flood gotta take a break came back right away like I just stayed awake took a cruise to have a chat hit up taco bell make sure to let them know that shit was bomb as hell and I don't care about the haters I ain't mad at y'all it's gonna take more than hating me to make a titan fall you see the creep face and the horns in a smart pose tells you all that we all could have some dark souls they put me up against the ones who just won't back down reverse the verse no let it finish with a smack down get a table get a ladder get a hammer smash it up too many toonz to choose now they can't get enough on this battlefield I got a song from a chief and at least he a beast and didn't call me a thief because I want to be in a place like I'm glad I made it you know why? (Why?) Because I'm animated cause I'm just watching CaRtOoNz I'm just watching CaRtOoNz I'm just watching CaRtOoNz up in my room yeah I'm just watching CaRtOoNz I'm just Watching CaRtOoNz I'm just watching CaRtOoNz up in my room come on everybody check it out now it's created animated check it out now yeah come on everybody check it out now because you waited yeah we made it check us out now hey come on everybody check it out now it's created animated check it out now yeah come on everybody check it out now because you waited yeah we made it check us out now hey cause I'm just watching CaRtOoNz I'm just watching CaRtOoNz I'm just watching CaRtOoNz up in my room yeah I'm just watching CaRtOoNz I'm just watching CaRtOoNz I'm just watching CaRtOoNz up in my room cause I'm just watching CaRtOoNz I'm just watching CaRtOoNz I'm just watching CaRtOoNz up in my room yo I'm just watching CaRtOoNz I'm just watching CaRtOoNz I'm just watching CaRtOoNz up in my room
