

# Hard Row

## The Black Keys

If you wanna go and leave your man  
Go on, Ill understand  
But then the night gets dark, all is still  
Pray for me, I know you will  
Hard row to hoe all by yourself We hit the city and it swallow you whole  
You got no friends darlin to satisfy your soul  
And then the sidewalk ends, lights all red  
You say it yourself, better off dead  
Hard row to hoe all by yourself Walk out on me, walk out on him  
You need no man to do you in  
But if the night gets dark, all is still  
I'll pray for you, you know I will  
Hard row to hoe all by yourself  
All by yourself, all by yourself, all by yourself
