Die With Regret

A Perfect Murder

Advisory - the following lyrics contain explicit language:

Such an innocent face and a wonderful person
Took her last breath and now she's missed this world
An unforgettable act, the worst possible thing
Playing the role of a God with another human beingDie with regret, die guilty for what you did
Die with regret, die guilty for what you did
Die with regret, die guilty for what you did
Die with regret, die guilty for what you didWho are you to decide, who is to live or who is to die
You'll be the first to die, or better yet, be buried aliveWe will never forget everything that you did
The sentence lies with us, we judge hard and won't forgiveDie with regret, die guilty for what you did
Die with regret, die guilty for what you did
Die with regret, die guilty for what you did
Die with regret, die guilty for what you didI know she's gonna wait for you in hell
I know she's gonna save a place for you in hell
