

Twice In a Lifetime

[Paul McCartney](#)

Now I know that
It can easily happen to someone like me
I don't want to step on anybody's toes Who knows how to find love
Think before you give your answer
Who knows what a mystery may bring Once in a life I'm a lucky man
If I can find the kind of love
That's gonna last for me Twice in a lifetime
Is one of those unspoken dreams
We usually reserve for fantasy Who knows how we find love
Stop before you give your answer
Who knows when a mystery begins I know, I know
I know because it's happening to me
I know, I know Twice in a lifetime
Is one of those unspoken dreams
We usually reserve for fantasy Who knows how we find love
Stop before you give the answer
Who knows when a mystery begins I know, I know
I know because it's happening to me
I know, I know
