Save Me

Killswitch Engage

So much that I've done wrong, it's an open book
I've done much more than my fair share of damage
What once was hidden now is crystal clear
Transformation is within me
To break the cycle I must turn to you
What I lack I gain through your virtue
I gain through you
Even when I fall, will you still believe?
Even when I'm lost, will you still believe?
Shattered by the hate that I carry
Take me as I am and make me whole again
I am lost without a purpose
Always consumed by self
I freely give this calloused heart
Can you, can you forgive me?

Even when I fall, will you still believe?
Even when I'm lost, will you still believe?
Now I don't have much, will you save me?
But I'll give it all, will you save me?
Will you save me?
Will you save me?
I've made so many mistakes
And I've broken so many promises
I've searched inside and I'm empty
Will you save me? Will you save me?
Even when I fall, will you still believe?
Even when I'm lost, will you still believe?
Every time I fall, will you save me?
Even when I fall, will you save me?
