

# My True Love

Jack Scott

I prayed to the Lord to send me a love  
He sent me an angel from heaven above  
The stars in the sky He placed in her eyes  
She is my true love  
The touch of her hand  
(My true love, my true love) Captured my soul  
(My true love, my true love)  
And the kiss from her lips  
(My true love, my true love)  
Set my heart aglow  
(My true love, my true love) And I know, from heaven  
(My true love, my true love)  
From heaven above  
(My true love, my true love)  
Came my, my true love Darling I love you  
I'll always be true  
My prayers, they were answered  
When the Lord sent me you With, love and devotion that I never knew  
Until the Lord above sent me you And I thank the heavens  
(My true love, my true love)  
The heavens above  
(My true love)  
For sending my true love  
(My true love)
