

Little Arithmetics (edit)

dEUS

Into temptation, over in doubt
Black night, neonlight into my house
 talking talking talking about

Out of frustration, over in doubt Hold me now, I'm hoping that you can explain
 Little Arithmetics

Got me down, they're fooling me again and again
 Little Arithmetics

Got me down Sometimes I feel like going down south Sometimes I'm feeling alright

Sometimes I feel like I'm over and out Sometimes I'm losing my mind
 Talking talking talking about Sometimes the day is the night

Into temptation, over in doubt Sometimes I don't want to fight Hold me now,
 I'm hoping that you can explain

 Little Arithmetics

Got me down, they're fooling me again and again
 Little Arithmetics
 Got me down
