It's About Time for a Miracle

Beverly Crawford

All the faith you need
It's about the size of a mustard seed
Right now (it's about time for a miracle)

Come on & clap your hands
We're going over to the promised land
Right now (it's about time for a miracle)

Can't you see (can't you see)
It's about time for a miracle
Come on get ready to shout
God already worked it out
Right now (it's about time for a miracle)

He's doing what you asked Him to
And He's doing it just for you
Right now (it's about time for a miracle)

All the faith you need
It's about the size of a mustard seed
And He'll move (He'll move mountains out of my way)

No matter how big or small
My God will take care of them all
Can't you see (can't You see)
It's about time for a miracle

God is
Working
A miracle
