

Blues Company

Silence, like a whisper
Maybe tomorrow it won't be here
So tomorrow we could teach them
Some new styles You're such a killer
So shoot me down again
It won't hurt when the killing
Is done by a friend Silence, like a whisper
So this is all we need
The fully air conditioned sound of speed A violent whisper
And this time it's for real
So this day I made plans for us to leave Silence, why won't you listen
Maybe it's just me
But sometimes it's impossible to breathe A violent whisper
Maybe this time it won't heal
Maybe this time it will bleed until I'm free
