

Burning Wheel

Primal Scream

Through my diseased eyes I'm sinful sly
I can't stop stealing
I will pay the price of being a thief
When I stop breathing If you could see what I can see
Feel what I feel
When my head is on my fire
I'm a burning wheel Through my bleeding eyes I'm filthy fly
I crawl with insects
I'm anesthetized I'm demonized
Caught in the vortex If you could see what I can see
Feel what I feel
When my head is on my fire
I'm a burning wheel I see, I feel
I see, I feel
I see, I feel
I see, I feel If you could see what I can see
Feel what I feel
When my head is on fire with
I'm a burning wheel
