

# Run (Remix) (Feat. Jadakiss And Lil Wayne)

## Ghostface Killah

(feat. Jadakiss)[Intro: Ghostface Killah]

Pss. yo, yo, yo (yo son roll!)

Oh shit, yo, yo, run! [Ghostface Killah]

Aiyo, I jumped from the 8th floor step, hit the ground

The pound fell, cops is coming

Runnin' through the pissy stairwells, I ain't hear nothin'

Buggin', only thing I remember was the bullshit summon

So I stopped at the second floor, ran across, cracks is fallin'

My pockets is mean, clean when I vanished off

Took off, made track look easy

The walkie talkies them D-E-T's had, black, they was rated P.G.

Run, I will not give up, no

Quick, flag the car down

Take me to. Ghost, here they come now!

Errr! Peel off quick, back up, hit the bitch, dog

Turned downhill, light the Marley spliff

Run! I will not get bagged on the rock

Run! I seen what happened to Un, they bad with they cops

Run! They am' shit, plan shit, destroy evidence

Get cassed, I'm not comin' home with no fifty six

Die with the heart of Scarface and take fifty licks

Before I let these crackers throw me and shit

Bounce if you a good kid, bounce, do the bird hop

Curse, swerve to get served, these cocksuckers got nerve

Heard I was killin' shit, they must got word

That I told the chief on Rich Port I don't wanna merge

[Chorus: Ghostface Killah]

Run! If you sell drugs in the school zone

Run! If you gettin' chased with no shoes on

Run! Fuck that! Run! Cops got, guns!

They givin' out life like bird tons

Run! If you ain't do shit, you it

That next felony, nigga, it's like three zip

So, run! Hop fences, jump over benches!

When you see me comin' get the fuck out the entrance!

Run! Fuck that! Run! Cops got guns! Motherfucka. [Interlude: Jadakiss (Ghostface Killah)]

Ah-hah! I might gotta take my shirt off (yeah, kid...)

I like that one (uh-huh, go in, go in!)

[Jadakiss]

Yo, uh, it's Task Force Tuesday, the NARCS is in the black car  
I got five hundred, hundred packs in my backyard  
Clear twelve-twelve's, that look like stuff shells  
I'm cuttin' niggaz throats on the sails, while they puff L's  
Don't leave nothin' unbagged, shave everything  
I learned from the O.G.'s to save everything (to save everything)  
They come by one more time, they gon' hop out  
They two deep, and one is a bitch, she gettin' knocked out  
Then I can get rid of the pack  
But I just copped this pretty chrome thing, so I'm dippin' with that  
Uh, down-shiftin' on 'em like I got gears on me  
(Run!) Besides that, I got about 5 years on me  
(Run!) Scared to death, runnin' like I got bears on me  
(Run!) My Timb's start feelin' like they Nike Airs on me  
(Run!) It's hard for me to slow down, it's like I'm on the throughway  
My belt's in the crib on the floor by my two-way  
Now I'm tryin' to hold my hammer up, and my pants too  
If they don't kill me, they gon' give me a number I can't do  
Rather it be the streets than jail where I die at  
And I'm asthmatic, so I'm lookin' for somewhere to hide at  
But they too close, and I got this new toast  
'Magine if I would of let off a shot or two, you know what I gotta do[Chorus]
