Jimmy Hat

Snow

Sexy girl in a corner, make a dicky wonder
If I could ever have a chance
Sexy girl in a corner, make a dicky wonder
If I could ever have a chance
Woman change guys
Just like a chameleon
You'd be a dead man walking boy
If looks could kill you
She ask me one simple question
Me never could answer
You like the freaky deaky, move like a snake
Then baby, come on, yeah, but I keep ballin'
Wait a minute
Snowman wait a minute, minute
Need a jimmy hat
Before me push it up, up in it, in it
Wait a minute
Snowman wait a minute, minute
Need a jimmy hat
Before me push it up, up in it, in it
Wait a minute
Snowman wait a minute, minute
Need a jimmy hat
Before me push it up, up in it, in it
Wait a minute
Snowman wait a minute, minute
Need a jimmy hat
Before me push it up, up in it, in it
She had the style of a beauty queen
And a smile of an angel
Make any man wanna clip her wing
And only God He could save you
She got the eyes that glitter of gold
And her body would slave you
Then she grab me by the hand, let's go
I'll take you my place to lay you and I kept ballin'
Wait a minute
Snowman wait a minute, minute
Need a jimmy hat

Before me push it up, up in it, in it
Wait a minute
Snowman wait a minute, minute
Need a jimmy hat
Before me push it up, up in it, in it
Sexy girl in a corner, make a dicky wonder
If I could ever have a chance
Sexy girl in a corner, make a dicky wonder
If I could ever have a chance
Wait a minute
Snowman wait a minute, minute
Need a jimmy hat
Before me push it up, up in it, in it
Wait a minute
Snowman wait a minute, minute
Need a jimmy hat
Before me push it up, up in it, in it
