

Please Release Me

Roger Miller

Please release me, let me go
I don't love you anymore
To live together is a sin
Release me and let me love againI have found a new love, dear
And I'll always want her near
Her lips are warm while yours are cold
Release me, my darling, let me goPlease release me, let me go
I don't love you anymore
To live together is a sin
Release me and let me love againRelease me and let me love again
