

Bicycle Vs. Car

Bob Schneider

It's not the end of everything, it's just the end of everything you know. (x4)Head versus heart equals bicycle
versus a car. (x2)Glassy skies above me, blue-black below. (x2)I can't breathe when you're on your knees,
when you cough I'm off to the races.I can't see the forest for the trees when the bees in your
jeans make off with my (inner memories?)I can't breathe when you're on your knees,
when you cough I'm off to the races.I can't see the forest for the trees when the bees in your
jeans make off with my (inner memories?)Glassy skies above me, blue-black below. (x2)It's not the end of
everything, it's just the end of everything you know. (x2)Glassy skies above me, blue-black below. (x2)Blue-
black below.
