

I Miss You

Haddaway

Loving you was easy and being true was hard
One too many lies and you were gone
I didn't wanna face up to the things I've done
I thought I'd be alright but I was wrong I miss you, oh, I miss you
I'm gonna need you more and more each day
I miss you more than words can say
More than words can ever say Saying that I'm sorry isn't good enough
I need to show you just how much I've changed
'Cause girl if you could see what I'm going through
You wouldn't be afraid to try again I miss you, oh, I miss you
I'm gonna need you more and more each day
I miss you more than words can say
More than words can ever say I miss you, I miss you
I'm gonna need you
I miss you more than words can say I miss you, oh, I miss you
I'm gonna need you more and more each day
I miss you more than words can say
More than words can ever say
