If you don't believe in what you've got
It's like you can't see that you're enough
He damaged you too many times
Now all you see are all the lies
You gotta believe in what you got
You gotta believe in what you gotIf you gotta cry then let it out
If you gotta scream, let me hear you shout
'Cause you gotta life you're letting go
So you got a past but I don't know
You gotta believe in what you got
You gotta believe in what you got'Cause I need you
To stay here with me
To stay here with me
I don't want you to leave
'Cause I need you
To stay here with me
To stay here with me
I don't want you to leaveNow if you believe in what you got
Then maybe you'll see and maybe not
But don't be afraid and don't let go
'Cause I'm gonna take this
And I'm gonna break this
And I'm gonna let you know becauseI need you
To stay here with me
To stay here with me
I don't want you to leave
'Cause I need you
To stay here with me
To stay here with me
I don't want you to leave'Cause I don't want to go away from you
As long as it may take, I'll find my way through
As long as it may take, I'll find my way to you
And you'll see you'll be fine ?'Cause I need you
To stay here with me
'Cause I need you
I don't want you to leave
And I need you
To stay here with me
'Cause I need you

I don't want you to leaveEven when you can't find the light there
Even when you just cry in your bed
Hold on, you're almost there
Hold on, you're almost thereEven when you get lost and you're scared
When you wanna give up, I don't care
Hold on, you're almost there
Hold on, you're almost there
