

# It Is What It Is

## Usher

Uh, uh huh  
Gangster uhI though it was love  
Didn't wanna admit that  
When I looked back, it was lust  
Too bad I had to learn a lesson  
They're against me, you were with me  
But you never let your old thang go  
I don't care to know why  
Girl I guess some things can't be explainedIt is what it is  
(What it is)  
I don't know what to call it  
'Cause I'm feelin' somethin' else  
(I'm feelin' somethin' else)It is what it is  
(What it is)  
Just don't let yourself get caught up  
When it's really somethin' else  
(Uh huh)Know that is okay, felt somethin' going on  
For every time that I thought it, uh  
Girl I bet that's what it was  
Called myself bein' down for you  
(Ice cold)  
Just know that befor I knew  
You I already knew you how you get down, uh  
But if that's your thang, babe, I ain't mad at you  
It's cool, just know I did it tooIt is what it is  
(What it is)  
I don't know what to call it  
(I don't know what to call it)  
'Cause I'm feelin' something else  
([Incomprehensible])It is what it is  
(What it is)  
Just don't let yourself get caught up  
(Oh girl)  
When it's really something else  
(Yeah, yeah)  
Take it to the bridgeI'm not sayin' that two wrongs can make it right  
It ain't too late for us to try, yeah  
Do we put back together  
Or we say goodbye, ha?Give me another chance

You did it too shit  
It's all good, baby  
You eatin', right?  
Well how can I smile, shit?  
It's better to smile than to frown anyway  
Yeah listen It is what it is  
I don't know what to call it  
(Don't know what to call it)  
'Cause I'm feelin' somethin' else  
(Girl I'm feeling somethin' else) It is what it is  
(What it is)  
Just don't let yourself get caught up  
(Get caught up)  
When it's really somethin' else  
(If you want to get to be with me baby) It is what it is  
(What it is)  
I don't know what to call it  
(Call it)  
'Cause I'm feelin' somethin' else  
(Uh, uh uh yeah yeah come on) It is what it is  
(What it is)  
Just don't let yourself get caught up  
(Caught up, and I)  
When it's really somethin' else  
(Oh my)  
To the bridge I'm not sayin' that two wrongs can make a right  
But it ain't too late for us to try, baby  
Do we put it back together  
Or we say goodbye? It is what it is  
(What it is)  
I don't know what to call it  
(Don't know what to call it yeah yeah yeah yeah)  
'Cause I'm feelin' somethin' else  
(Gonna give my love) It is what it is  
(What it is)  
Just don't let yourself get caught up  
(Caught up oh no, no)  
When it's really somethin' else  
(Gonna give my love) It is what it is  
(Oh, I)  
I don't know what to call it  
(Call it but, I)  
'Cause I'm feelin' somethin' else  
(Gonna give my love) It is what it is  
(What it is)

Just don't let yourself get caught up

(Oh)

When it's really somethin' else  
(Gonna give my love)It is what it is

I don't know what to call it

(Ohh yeah)

'Cause I'm feelin' somethin' else  
(Gonna give my love)It is what it is

(Ohh, oh)

Just don't let yourself get caught up

(Caught up when I)

When it's really somethin' else  
(Gonna give my love)It is what it is

(What it is)

I don't know what to call it

(Call it 'cause I'm feelin')

'Cause I'm feelin' somethin' else
