Ain't No Man

SWV

Ain't No Man
Oooh babe,
Ain't nothing like waking up everyday to your face
Never wanna let go, never wanna say no
It's crazy,
In deeper than love it's hard to even try to explain
So all my ladies who know, what I'm talk'n bout say oh (oh)
It's like you come alive when you hear your voice
No, your heart doesn't have a choice
Oh, and Ive had my share of boys
If you know like I know
ain't nothing like a man
No, no little boys for me
I don't do rookies get with me you've gotta own the team
Ain't no man like the one I've got
Ain't no man like the one I've got
Ain't nothing like a man
Yep, he know he got a Queen
Now ladies if you've got a King say it with me now
Ain't no man like the one I've got
Ain't no man like the one I've got
And the truth is, there's women all across the world
Getting tired... Please (so please)
Never wanna let go, never wanna say no
I don't miss the drama and the sleepless nights
Wasting all of my tears, wasting all of my tears
So all my ladies who know (know), what I'm talk'n bout say oh (oh)
It's like you come alive (alive) when you hear your voice
No, your heart doesn't have a (have a choice) choice
Oh, and I had my share of boys (boys)
If you know, like I know (know)
Ain't nothing like a man

I don't do rookies get with me you've gotta own the team
Ain't no man like the one I've got (Ain't no man)
Ain't no man like the one I've got
