Rebel With a Reason

Mest

no i aint got a high school diploma no i aint got a masters degree because what i wanna do in life is that you dont mean shit to me but what you got to realize dont take no education what it takes is pure love and dedication being told im gonna do nothing being told im gonna go nowhere did ya really think all that shit ya said that it would phase me that shit dont phase me bitch i aint bluffin guess again you puto I'm already loco I know I can't turn back the time and I know I can't change my state of mind one thing that I know for sure I'll still be strummin' my guitar is even if I end up poor I know I can't turn back the time and I know I can't change my state of mind one thing that I know for sure I'll still be strummin' my guitar is even if I end up poor it was so long ago but not too far away calumet park is where I used to stay and when I was a kid everything went right so say what you want to say and now I'm growin' up and it seems to be going wrong and do what you wanna do take some words of advice from me to you be yourself through and through and I know I can't change my state of mind I know I can't turn back the time one thing that I know for sure is even if I end up poor I'll still be strummin' my guitar say what you want now say what you want now say what you want now it has no effect on me say what you want now
