Benny Goodman

(feat. Jamie Lynn)

[Intro]

You, you, you...

[Britney]

I loved so much that I cried
I danced so much til I was tired
I drank some red wine and now I'm walking on the sky
I had the time of my life

And you know, I, I, I
I'm feeling alright
'Cause I don't got to worry 'bout a thing

And you know, I, I, I
I'm feeling alright
'Cause I don't got to worry 'bout a thing

When I'm with you
I'm chillin', I'm chillin'
I'm chill

[Jamie]

I sang so loud that I smiled
I made it worth my while
I drank some white wine
Now I'm walking on the sky
I had the time of my life

And you know, I, I, I
I'm feeling alright
'Cause I don't got to worry about a thing

And you know, I, I, I
I'm feeling alright
'Cause I don't got to worry about a thing

When I'm with you
I'm chillin', I'm chillin'
I'm chill

[Bridge]
Everyday, everyday, everyday
Chillin' with you
Everyday, everyday, everyday
Chillin' with you
I'm chillin' with you

And you know, I, I, I
I'm feeling alright
'Cause I don't got to worry about a thing

And you know, I, I, I
I'm feeling alright
'Cause I don't got to worry about a thing

[Both]
When I'm with you
I'm chillin', I'm chillin'
I'm chillin', I'm chillin'
