

# Too Much Information

## Duran Duran

Destroyed by MTV  
I hate to bite the hand that feeds me  
So much information  
The pressure's on the screen  
To sell you things that you don't need  
It's too much information for meHey, TV child look into my eyes,  
Here by intervention, I want your attention  
Promotion boy in a suit and tie, he wants you to use it  
You're too shot to lose it, it's pumping down the cable like never so before  
A Cola manufacturer is sponsoring the war  
Here comes the news with love from me to youDestroyed by ABC  
I hate to bite the hand that feeds me  
So much information  
The pressure's on the screen  
To sell you things that you don't need  
It's too much information for meTurn on the tube hits you with a groove  
Advertising music we want you to choose it, these teeth are white  
Trainers ultra-brite this band is perfect just don't scratch the surface  
We covered all the angles the survey people say  
Just put us on the cover we'd be smilin' anyway  
This video was made with love to youDestroyed by BBC

I hate to bite the hand that feeds me  
So much information  
The pressure's on the screen  
To sell you things that you don't need  
It's too much information for meDilate your mind  
Dilate your mind  
Dilate your mind  
Dilate your mindGot to give it to me, got to listen to me  
Dilate your mind  
Got to give in to me now I'm on the line  
I try, got to give it to me, got to listen to me  
Got to give in to me now I'm in the line  
I try, give it to me, I say I'll try

Give it to me, I'll try  
[Incomprehensible]  
Give it to me, I'll try
