

# Nothing Is the Same (Demo)

## Grand Funk Railroad

When I was feeling 'bout sixteen, I never had no idea.  
Listen to me if you want to know what I mean, your expression will let me see.  
I never knew what I was looking for, I never had the time.  
And now that time has opened up my door, now I'm looking forward just to see what, just what's mine. When I  
was feeling 'bout eighteen, it's then when I began to see.  
No matter how hard you push on the door, it won't open without the key.  
Opportunity only knocks once, if you shut it out it's a sin.  
And when something keeps right on poundin', then, my friend, you'd better let it in. Now I feel just a little bit  
old and, sadness fills my brain.  
I can flash to future years and nothing is the same.  
Nothing is the same.  
Nothing is the same.  
Nothing is the same.
