Don't Let It Go

Martin Levac

If you it go get it you donâ€™t need my permission
Give it a try it could be good for you
Listen to your feelings just follow the music
Donâ€™t let your fears bring you down
And if you get too scared and you need to cry it out
Donâ€™t you worry Iâ€™ll be there Iâ€™m not going anywhere

If you it do it donâ€™t let it go
Itâ€™s your dream donâ€™t let it, donâ€™t let it go

If you mean it just do it just dance your life away
You know youâ€™re good at it donâ€™t just throw in the towel now
And if you really want it the world is ready for you
Push yourself a bit harder cosâ€™ youâ€™re worth it, you know you are
And if you get too scared and you need to cry it out
Donâ€™t you worry Iâ€™ll be there Iâ€™m not going anywhere

If you it do it donâ€™t let it go
Itâ€™s your dream donâ€™t let it, donâ€™t let it go

Someday youâ€™ll be old and gray and you might have some regrets
If you donâ€™t do it today it might be too lateâ€¦â€¦â€¦â€¦â€¦â€¦.
